

Rochelle Erasmus

Virtual Assistant

With a Bachelor of Commerce in Strategic Management and extensive experience in property management, financial administration, and business support, I provide tailored virtual assistance to businesses in both the South African and UK markets. My background includes managing portfolios for property owners, optimising asset performance, and ensuring compliance with regulatory standards, allowing my clients to focus on growth and profitability. I've developed a keen eye for detail, problem-solving, and risk management. I'm also proficient in CRM systems such as Monday, Slack, and Bitrix24, as well as Microsoft Office, making me a highly efficient support partner for any business. Whether it's managing tenant relations, preparing financial reports, or streamlining workflows, I bring professionalism, organisation, and a proactive mindset to every task. My commitment to client satisfaction drives me to constantly enhance processes and deliver exceptional results.
